Newsletter

October / November

Welcome to the new look Newsletter. This edition is brought to you by the letters A & W.

A is for awards. The annual awards do seemed to go well. Our club, as much as anything else, is about encouraging people to take part. To this end we had as many Prizes as possible, with two classes in the open competition & four in the pistol competition.

This season we've introduced a special SR (Semi-recoilless) class, taking them out of the general springer class to comply with UKHAFT rules.

W is for working party. Things need to be done in the woods and we need people to help. If you're interested please let the Range Officials know so we can get an idea of who can make it and when.

This season

This season is packed. We've already mentioned the extra SR competition and don't forget there are four classifications in the pistol competition, so get those scores in!

Do you want to receive the Newsletter by e-mail? If you do just e-mail steveb.thw@live.co.uk

Receiving the newsletter by e-mail is the greener option and costs the club less in printing and paper etc. We will not send you a load of spam, unless you're into tinned meat, nor will we sell or give the mailing list to any other organisation.

Christmas

Christmas I'm afraid is just around the corner and we'd like to remind everyone about the Christmas fun shoot on the 13th of December.

Can we please draw your attention to the bottom right corner of this Newsletter?
